YOUR INTERNATIONAL ADVENTURE AWAITS. PACK YOUR BAGS!

The TEFL Intensive Professional Certificate Program is designed to prepare candidates who have no formal training in TESOL or TEFL but would like to seek employment abroad as English language teachers. The practical curriculum allows teacher-trainees to teach second-language learners from the very first week.

The faculty consists of professionals who teach in UCR Extension’s International Education Programs.

The program session is limited to 16 participants. Instruction includes:

- A total of 160 classroom hours (eight hours each day), including observations of ESL classes in UCR Extension’s Intensive English Program
- Extensive classroom teaching practice with ESL students

WHAT YOU’LL LEARN

- How to plan and deliver effective lessons in the areas of structure, conversation, reading, pronunciation and writing at levels ranging from beginning to advanced.
- How to implement lessons with a wide range of effective teaching techniques.
- Current trends and methods in teaching English
- Graduates may communicate via e-mail for up to one year with mentor teachers who can help with any lesson planning or curriculum questions.

WHAT IS A SUMMER ACADEMY?

The Summer Academy is a shortened, intensive period of study that allows you to earn a Professional Certificate in an accelerated timeline. Summer Academies require the same amount of completion hours and offer the same high quality of instruction as the longer, academic year programs. You work hard and your instructors require a high level of commitment from you, expecting you to understand that “short” does not mean “less.”

PREREQUISITES

Participants must be at least 18 years old and have a high school diploma. A college background is preferable. Non-native speakers of English must score at least 600 TOEFL (Test of English as a Foreign Language) and 60 TSE (Test of Spoken English).
