- Practical application of all lessons learned in an American workplace and discussion sessions with other students

TOTAL UNITS: 47

COMPLETION TIME: 9 months

TUITION: \$18,200

ENGLISH FLUENCY:
Minimum TOEFL PBT 550, iBT 80,
IELTS 6.5, or Duolingo 100

Master the skills that can help you in any industry you pursue.

Learn the basics of managerial skills and build on that with lessons in contemporary management styles. Understand how these are impacted by changing work environments, new technology, increasing cultural diversity, and techniques for efficiency. By practicing your management skills in both a classroom and occupational setting, you gain insight into the successful operations and organization of an American business.

Leadership approaches continue to evolve to keep pace with the global workforce and economy. One of the most significant changes to contemporary leadership has been the introduction of Quality Management concepts, which has led to enhanced organizational effectiveness, streamlined processes and improved client relationships. Accordingly, organizational leaders are expected to be well versed and competent in intercultural communications, be process-minded, and masters of change. Apply your newly learned knowledge in the workplace where you can further hone your skills in the area of organizational excellence.
