Progress your leadership capacity with this series of workshops designed to equip you with the latest management tools and best practices. Using techniques and strategies from some of the most effective leaders in business, develop a level of competency that will help you maximize your performance as a leader, as well as enhance the overall functionality of your team to produce a successful outcome. Design your own path; complete all the workshops to earn your credential, or choose just the ones that interest you.

Whether you’re just starting out or looking to develop your existing leadership role, this program will introduce you to key project and change management tools to help boost your leadership potential. Build proficiency in basic delegation and communication strategies. Explore conflict management techniques and learn how to handle and diffuse discord within a team. Learn how to rally your team together to both embrace and tackle any issue that comes your way. Demonstrate what’s possible through confidence and a well-designed plan to transform your vision into reality.

- Total Units: 7
- Tuition: $1,925
- Completion Time: 12 months
- Format: Hybrid
Specialized Professional Program in Supervision and Leadership

BENEFITS OF EARNING A CERTIFICATE
There are several reasons why, Bachelor’s degree in hand, you might be considering continuing your studies. An upgraded education section on your resume can open the door to a new career, or, if you’re already working, lead to a promotion and a higher salary. While you’re working, going back to school is an excellent way to stay current in rapidly changing fields, or, if you’ve been away from the workforce for a while, to quickly get caught up in the latest trends, concepts, and advances.

While there are as many paths to follow, as there are reasons to follow them when approaching continuing education, there is enormous value in terms of time, financial investment, and personal flexibility while gaining practical training from working professionals in your industry that extends beyond the theory of the classroom and into the real world.

PAY AS YOU GO
