# PROFESSIONAL CERTIFICATE IN LOGISTICS

“Supporting individuals in keeping pace with the changing requirements of the modern work environment is at our core. Collaboration, partnership, and community drive us to provide accessible, affordable education, and training for working adults. Whether you are an individual looking to advance your career, or an organizational leader interested in investing in your workforce, we are here for you.”

—Kasey Wilson, Ed.D.  
Director of  
Professional Programs  
UCR Extension

## READY TO PUT YOUR PROBLEM-SOLVING SKILLS TO WORK?

If you thrive on efficiency or smart operation, the Professional Certificate in Logistics can prepare you for a career or career advancement driven by finding better ways to execute goods and services delivery. Understanding the logistics behind supply chain management is not only crucial to connecting the product with an intended customer, but to facilitating the regulated processes in between, from planning to quality control of inventory.

Learn how to make decisions that benefit workflow by understanding the movement of goods, including costs, inventory control, government regulations, and traffic management. Enhance communicative skills to work with vendors, staff, and management and understand emerging challenges both global and local, particularly in the Inland Empire. Then, apply that stream of knowledge and be the reason why a company works smarter, not harder.

You can also build on the skills learned here by applying three units of selected coursework to the full Supply Chain Management Certificate Program.

### WHAT YOU'LL LEARN

- Apply logistical best practices to inventory and facilities management
- Communicate effectively with personnel, vendors, and management
- Navigate the increasingly complex field of transportation management
- Determine the best transportation solution for your vendor

### WHO CAN BENEFIT

This program is designed for anyone involved in sourcing goods and services in any industry.

### ADMISSION

Take individual courses or fulfill all of the requirements to earn your UCR Extension certificate. Whichever you choose, you will gain the personal power that comes through learning new skills. Be assured that you are receiving education that is backed by the UC tradition of excellence.

### HOW TO EARN THIS PROFESSIONAL CERTIFICATE

Individuals must complete a total of 13 quarter units, with a grade of C or better.

**FUNDAMENTALS OF SUPPLY CHAIN MANAGEMENT**  
4 UNITS

**LOGISTICS IN SUPPLY CHAIN MANAGEMENT:
