Prepare to gain admission to your desired undergraduate degree program at UCR with our Admission Preparation Program (APP). Combine advanced English instruction, academic skills training, with participation in UCR undergraduate credit classes. In APP, you will learn how to navigate U.S. academic culture in a supportive environment to ensure undergraduate success via one-on-one academic and acculturative advising support throughout your program.

**HOW IT WORKS:**
APP is a 9-month (3 quarter) program that allows students to:

**HIGH SCHOOL**

- **APP QUARTER 1**
  - Academic Preparation Class
  - 1-2 UCR Credit Classes
- **APP QUARTER 2**
  - Academic Preparation Class
  - 2-3 UCR Credit Classes
- **APP QUARTER 3**
  - Academic Preparation Class
  - 3-4 UCR Credit Classes

**WHO CAN ATTEND**
- High school graduates with a minimum GPA of 2.8
- Advanced-level English required: minimum TOEFL 530 PBT, 71 iBT, IELTS 5.5, or Duolingo 95
- F-1 Visa required
- Students must meet UCR A-G admission requirements

**ADDITIONAL INFORMATION:**
- Program runs from September to June
- Tuition cost for 9-month program is $32,950

While participation in the APP program does not guarantee admission into UCR, over 90% of students who successfully complete APP are accepted into UCR undergraduate degree programs.
Whether choosing APP by choice or by necessity, you will benefit considerably. Besides top-notch academic curriculum, you will also learn crucial soft and hard skills that will give you an edge up in your professional career.

**Soft Skills:** Creativity, Persuasion, Collaboration & Teamwork, Time Management, Analytical Reasoning & Logic, Critical Thinking, Social-Emotional Skill Building, and Intercultural Communication

**Hard Skills:** MS Office Software, Cloud Computing, and Resume Writing.

Classes will be held on UCR’s main campus, which means you’ll have the opportunity to engage and interact with college students and instructors. You’ll also have the opportunity to participate in campus activities, social events, and have access to key resources (recreation center, library, etc.), which will give you more familiarity with the school, and allow you to really experience the college life.

All units you complete with APP are transferable to any college; giving you the opportunity to start college with up to one year of academic credit under your belt, shortening your typical 4-year college stay into just 3 years. Plus, you’re now fully prepared to take on college-level courses with ease, so you can breeze through your program.
